## STUDENT SATISFACTION SURVEY 2023-2024

### **Introduction: -**

*Student satisfaction survey helps a lot to improve quality in teaching – learning and evaluation. Student satisfaction survey questionnaire consists of twenty-one questions, out of which 20 are objective type and 21 question is open ended to extract observations and suggestions for improvements providing an opportunity to the students to give suggestions.*

*The students will respond on a scale of 5 to 1 for 20 objective questions. Questionnaire is focused mainly on how the curriculum, teaching – learning and evaluation in the institution are being implemented. Student Satisfaction Survey is conducted for students of four UG Courses for the year 2021-22 and survey was conducted through online by providing link to the students. Student Satisfaction Survey is conducted and analyzed by IQAC in Co-ordination with the departments of Computer science and Statistics.*

### **Analysis of Responses: -**

#### **1. Syllabus Coverage in the Class:**

Analysis:- 77 % of the Students expressed their satisfaction about the coverage of Syllabus.

#### **2. Teachers prepare for the Class:**

Analysis:- 84 % of the Students expressed satisfaction about preparedness of the teachers for the classes.

Internal Quality Assurance Cell (IQAC)

**Student Satisfaction Survey:**

About 75 to 80 percent or more of the students gave positive feedback on most aspects. Certain issues are raised by them which need action from the staff, Principal and management.

**The issues raised are:**

1. Insufficient number of lecturers and need for regular lecturers..
2. Need for more field visits / study tours.
3. Need for improving hostel facilities.
4. More Computers.
5. To reopen hostel reading and reference room.
6. Need for more focus on sports and cultural activities and more capable Physical Director.

**Action Taken :**

1. Due to the lack of sufficient number of faculty members in various subjects, the syllabus could not be covered in stipulated time. In this context, The Principal gave representation to the Honourable Chief Minister of A.P and concerned authorities to provide sufficient number of regular faculty members so that justice is done to the students. The authorities promised to arrange the same by the next academic year and sent 6 regular lecturers in 2024-25.

**2. Improvement of hostel facilities & other infrastructure:**

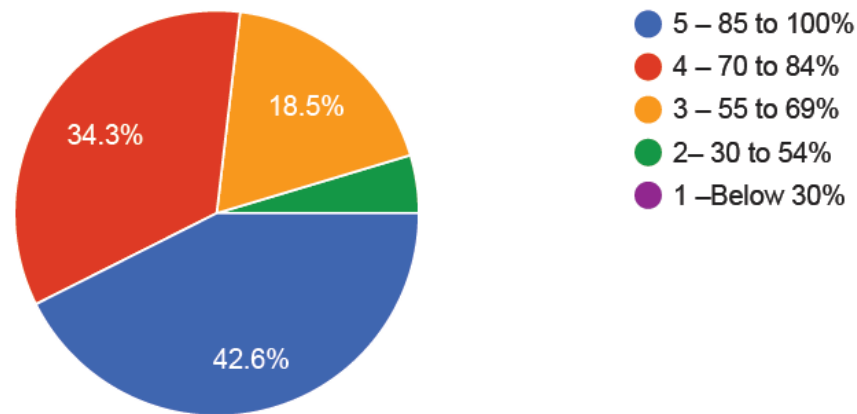

1. With the help of the alumni have raised nearly Rs: 30 Lakhs of CSR funds from Coal India Ltd for the construction of a Dormitory Buildings of two floors. The construction is completed. It can accommodate about 85 students with two tire cots/ bunk beds.
2. CSR funds of about Rs: 34 Lakhs are raised from the APMDC ( Andhra Pradesh Mineral Development Corporation ) to construct sufficient number of washrooms, toilets, urinals for students and staff.
3. Under RUSA 2.0 15 class rooms including digital class room and ladies waiting room are constructed.
4. Representation is made to the authorities to complete the under-construction hostel buildings , overhead water tank and provide funds for boundary wall for new site of 10 acres, layering of the land, ground level water tank , essential repairs to hostel dormitories and college main building.

3. Representation is given to the authorities to provide Regular Physical Director and Regular Librarian. Students to be encouraged and financially supported to participated in all University / District Level games and sports competitions. Kabadi to be given more encouragement. New courts to be added e.g. shuttle ,basket ball.
4. It is decided to arrange more field trips/visits for the students by each department.
5. More Computers to be made available by getting needed repairs to the ones not in use .
6. In lieu of Hostel Reading Room departmental libraries will be made available.
7. Teaching faculty to be trained in more effective usage of ICT.

**14. Teachers are able to identify your weaknesses and help you to overcome them.**

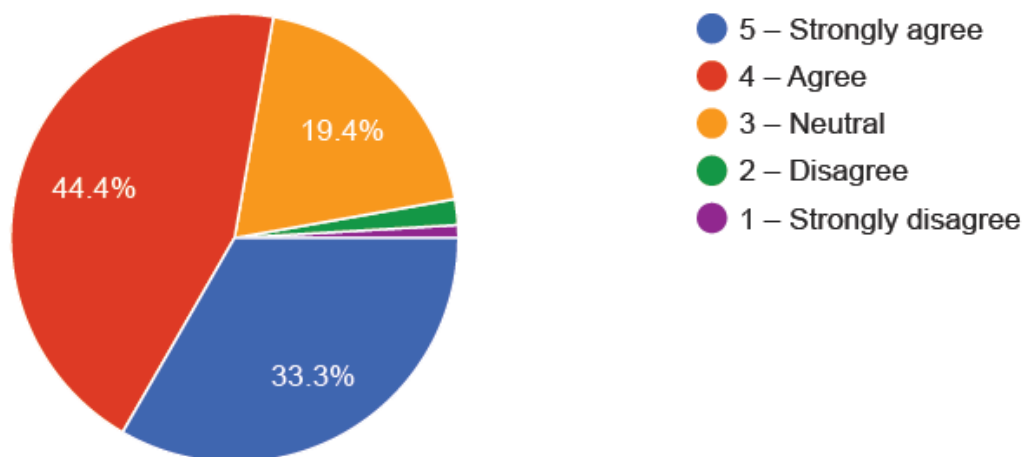

**15. The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.**

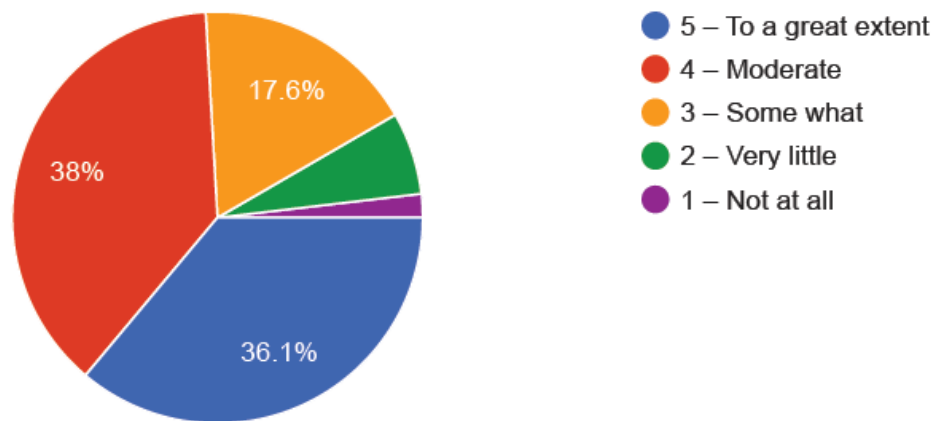

**16. The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.**

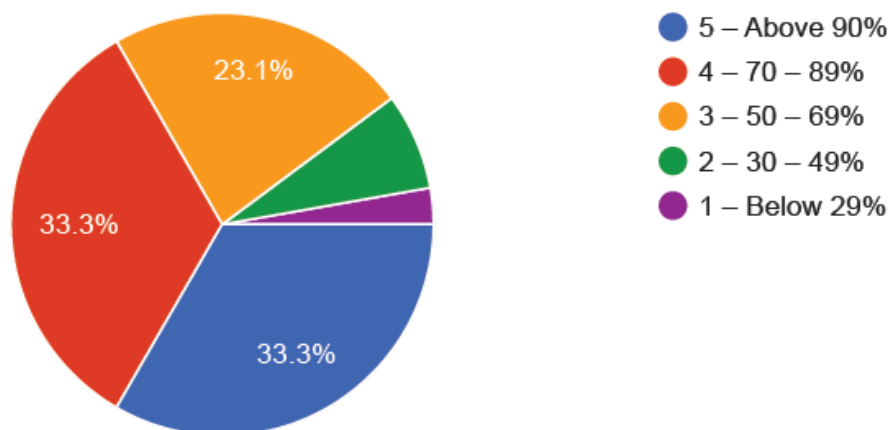

**17. Teachers encourage you to participate in extracurricular activities**

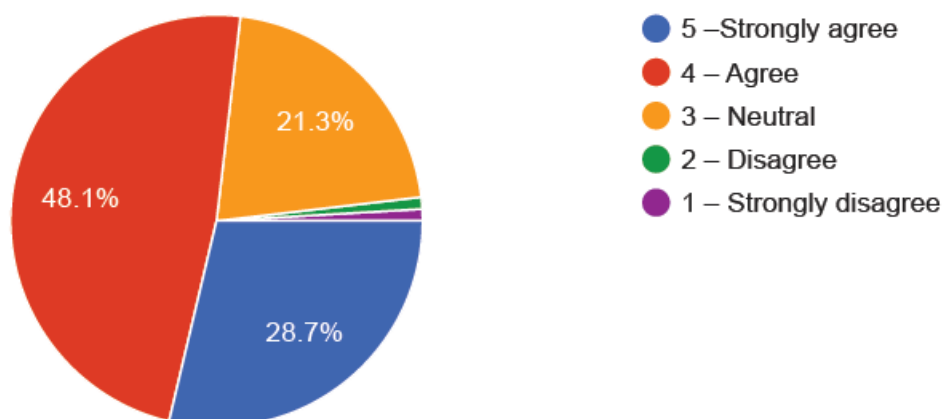

**18. Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.**

**19. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.**

**20. The overall quality of teaching-learning process in your institute is very good.**

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution. 108 responses

Good

No

Nothing

Good

Super

Nothing

Experience teachers

Good teaching

1. Overall I can say in a single word, excellent exposure here

Only 2 Sirs in this group 2 subjects are good Skills is the only subject but not teaching in this subjects

Enhanced Use of Technology Focus on Practical Applications

The explanation should be good.

The teachers must improve their teaching skills little bit more

Giving with extra illustrations relating to the topic.

Promoting innovative ideas of the students, observing the skills of the students and guidance for the students regarding their higher education and jobs.

Good Quality of education, good hostel specialties, understanding lecturers

No suggestions

Motivation classes

Communicate with students

NOTHING...ITS IS WELL

Faculty Extracurricular activities Free with students

Super wonderful and excellent

To provide regular Faculty and teachers more efforts to students

Very good

Yes

All good 🙏 nothing to say

Art of Self learning

Effective strategies for balancing classes assignments and personal life

Nothing it is already good

World trade organizations

College supper Good teacher Food very nice

Yes

Digital classes with example, interacting classes, effective teaching staff and moderated methodology for teaching classes.

Teaching skills are good some activities added with their students

Giving performances in club activities

Yaa good

Almost at present nothing to improve but have to take regular response from students about the how the classes are going, like the students are understanding the concept or not .

In my college no faculty Teaching was below average Building and hostel are worst

This is my feed back

Everything is alright

1.to improve the speaking skills of the teacher or speaker 2.to interact with the all student with out group feelings by all the lectures in the collage by all groups 3.give the opportunity to all the pursued groups their loco wards can give motivation ,the lack of motivation also to improve 4.improve the skilled programmes in the college 5.seriousness also,to improve the serious Ness in the study

Teaching is very good

Conduct extra curricular activities

Ok

NA

Use ITC s for classes and give good presentation sir...

It's very good to prepare competitive exams

Maintenance cleaning rooms and electronic devices using

The teaching staff are very good in our institution

First of all explain the topic is what is what and how to use and what is the beneficiaries give with examples till to understand to the students.

Some classes are not teaching well

Please improve and promote the experience teaching persons than students will be improving their skills and programs

Improve the lab facilities

Speech good at class every one response on every time

Better facility, communication with students and teaching well

Encourage to learn skill development

Faculty not available

All are very good

Experienced Staff allotment

1) improve the presentation 2) Behave like friend 3) Understand my question  
teaching experience is very good

No answer my staff explain very well

Teaching skills to lecturers

No Suggestions

TEACH WELL

Students Materials also

Kk

Plan lessons: Create lessons that are tailored to students' needs and align with curriculum standards.

Use technology: Use technology to connect students with resources, data, and learning experiences.

Encourage group discussion: Break up lectures with group discussions where students can discuss a topic in small groups.

Some more lectures are required to teach in the college

This institution is the wonderful education institution with me.

Our institution excels in various areas; however, it appears that sports personnel do not receives much encouragement as the regular student participants in their activities. Unfortunately, our

Physical Director has not been fully supportive of the students' needs. It is essential to provide encouragement to our athletes, particularly the KABADDI TEAM, by facilitating daily practice sessions under the guidance of our senior members, rather than relying solely on the current skills of our Physical Director. I kindly request that this message be communicated to our esteemed seniors and respected faculty. Thank you all for this opportunity.

Online classes

Provide study material, Improve communication.

Overall the college is very nice, thE teachers are very friendly . But the only problem is that the college doesn't provide the reference room to study seriously and silently after evening

Use visual media: Engage students with visual media and graphics to stimulate their interest and desire to learn. Make teaching interactive: Ask students questions and encourage them to participate in discussions. Use a variety of activities: Use different activities, such as videos, group work, and guest speakers, to engage students in multiple ways.

1. Not proper teaching in all subjects 2. Government facility are very low members

We want more encouragement for proving our own talent and skills

There is a lot of syllabus to complete for short time sem period.
